1.- Please, describe the profile of participants:

The participants were both women (10) and men (1), working at public institutions in Vaslui, Romania such as: "Nicolae Milescu Spatarul" County Library and County Centre for Resources and Educational Assistance (CJRAE). CJRAE Vaslui is an educational unit whose role is to offer, coordinate and monitor specific educational services provided to children, students, teachers, parents and other members of the community in order to ensure access to quality education and

the necessary assistance in this regard. Their role is to monitor the evolution of the beneficiaries of educational services, to ensure the necessary documentation and information for all community members and to collaborate with social partners in the community, as well as with organizations and associations at national and international level.

2.- Regarding this meeting, please describe the activities you did:

We presented our project, its objectives, the activities which have been carried out and also information about Erasmus+ programme.

3.- Regarding the planned objectives of the meeting, have they been accomplished? To which extent?

All the objectives of the meeting were completely accomplished.

4.- How were participant's feedback, opinions, etc. about this project?

The feedback was positive. The participants appreciated the project as being necessary, in accordance with the interests of our community, the participants being interested in forming and developing abilities and competences in order to increase the well-being of the actors involved.

5.- How have you given visibility to the Erasmus+ Programme of the European Union? What did you do?

We presented a PowerPoint with information concerning the Erasmus+ programme.

6.- Please add some pictures of the activity:

7.- Please attach the links of the webpages and social networks where you give visibility to this meeting (before, during and after), copy of the posters, screenshots of the news, etc. If some of the participants shared it in their social networks, please add it as well.
